I don't know what happened to you but you were to young to have lost your life. Prayers for your family. RIP 🙏

“ *It hurts just finding out that he's gone. I've been friends with him since he was in spokane. I remember the times a bunch of us would go out 4 wheelin and just having a blast.*

“ *Had so much fun when "Cheddar" brought home raised, smoked and hand pulled pork to a Tejas Show a couple of years ago. He seemed to have a good time and I surely enjoyed the great lunch. How I wish he could have stayed in our area and kept the farm. He is much missed.*
