“ *I have one great memory of Sthand that was the day we met. It was also the same day he met his beautiful wife, and if you ask me, he instantly fell in love. From that day on, their unforgettable love story began.*

*I truly appreciate the love, devotion, and affection he gave my best friend throughout all these years.*

*Take your rest now Sthand. No more pain, no more suffering. You will be deeply missed 🕊️👍*
