“ He was my dear friend. We shared many days and many times good and bad. We saw a ton of good bands and were there for each other through rough times. He was my friend and Brother.

“ Hey man, I still have that shirt you gave me - the one with Zelda and Princess Peach standing together with the phrase "We can save ourselves, thank you!" It's one of my favorites, mostly because you just gave it to me out of the blue. You were such a gentle and kind soul, and I can't even express how much you are missed.
