“ *I wish our days were much longer but God took you to heaven to be with him. As your wife, I did my best to be there for you and supporting you to the fullest. Now I know you're in heaven with your quite sweet spirit, preaching and playing your guitar with the heavenly choirs, quartet groups.*

RIP. Just know that your wife truly loved you.

Good night see one day in heaven, so I can play my keyboard, and we play the gospel tunes. I will forever love you...your wife your Jan.
