“ Aunt Ruby Jewel my mother's baby sister I am her first born girl named after Aunt Ruby's mother larceny moore I grew up with Aunt Ruby and she was a very loving and nurturing person I love to be around her because you could learn a lot as a child by being around her because she always took time to talk to you and I'm going to miss her I'm sending my condolences out to my cousins and I want them to know that it's an ordeal but you will get through it and you will find the strength through the Lord God bless you all and I am so sorry
