

Ms. Shirley Johnson

February 3, 1948 - September 5, 2025

In Loving Memory of Mrs. Shirley Marie Johnson

Born February 3, 1948

Returned to the stars September 5, 2025

She moved through the world like a quiet breeze—soft, steady, and full of grace.

Shirley lived a life of quiet devotion: to her family, to God and to the small joys that make a day sacred.

She taught us that love need not be loud to be powerful, and that presence is the greatest gift of all.

Her hands held stories, her laughter healed hearts, her strength stands as a testament, her warmth gave purpose, her silence spoke volumes and her sacrifices created pillars of endless opportunities for those she loved most.

Though she has stepped beyond the veil, her essence lingers in the petals of every flower, the hush of dawn, the warmth of our memories and in the weight of the wind.

Shirley graduated from Charlton Pollard High School in Beaumont, Texas in 1966, where she was proud to be apart of their varsity tennis team and was

named one of their best tennis players. She went on to secure leadership in the food industry and later co owned S and S Carpet Installers alongside her husband, Joseph Johnson Jr.

She is preceded in Glory by her Father; Bishop Grace, her Mother Marie Grace, her two beloved sons Centarious Joseph Johnson and Sergio Demetrius Johnson and her grandchildren Keith Fitzgerald Johnson, Keiana Alexis Johnson and Kristian Trajan Johnson.

She leaves behind not just loved ones, but a trail of stardust which consist of her husband of 57 years Mr. Joseph Johnson Jr., their 3 gifted children; Dedrick Johnson(Chantel), Treva Johnson and Stephanie Johnson, also a host of beautiful and talented grandchildren, great grandchildren, family and friends. Her legacy is a reminder of her magic in every sunrise, every song and every act of kindness.

Come not in mourning, but in reverence, in celebration and most of all in honor, for a radiant soul who remembered the way home.

“ *Mama J just know I will miss you dearly. It was nice talking and joking with you when you use to come get Mr. J something to eat. We would talk like we was around each other every day. I'm gonna miss you Mana J*

“ There's nothing that could've prepared me for losing you on this side, to say my heart is broken is a severe understatement. All in all, you tried to prepare us for the time when you would experience freedom, when you would return to pure energy, when you would be able to fly again. That time has made a week and it doesn't feel real, a week without you feels like an eternity already and it hurts but I know it won't be this way always and that's what I look forward to. I will do my best to always make your name and memory shine bright on this side and I will learn how to navigate this new relationship with you and I will take the time to learn you as the divine being that you are now. I know you would never leave me and for that I say thank you because I will need you in every realm. You are a wonderful mother and I couldn't have asked for better. We all love you immensely, I hope you enjoy yourself and happy flying mama, your baby girl...Steph 💖
