“ Sherrie...I just wanted you to know what a brave, loving woman you are. I have put you on Jake and my prayer list. Today I pray for strength and acceptance as you make your way through the upcoming holidays. May peace be with you and all who loved Stan.

“ I love you my Crazy Hawaiian. Leilani and I miss you so much already. We fought hard this year to kill your cancer. But Jesus had other plans for you. You are pain free now and fishing with your Dad. You always said you wanted to make people happy, I'm realizing how many people you touched. Love you my sweetie ❤️❤️
