“ My Tia was a very sweet person even when she tries to be mad , she always made me feel safe & loved when I came over growing up . I'm so glad you became apart of this family . The last time I seen her was this night in this picture 2024 last party you came to I'll never forget ❤️ because you was to drunk to walk white girl wasted 🤔 & I carried you to the bathroom & back outside when you poured your love to me & my gf giving up talks about relationships & we will forever keep that advice in our hearts .only white lady I knew that got down in that kitchen I'll carry your recipe for my kids .

“ Tara, you will be truly missed and loved. Thank you for your wonderful friendship of many many years, the laughs, the hour long talks, the sneaking out of the house as kids, our little blue book, the skating rink on Friday nights, the dancing at clubs, raising kids together, being my maid of honor at my wedding and many more memories that I will cherish. I will think of you always. Love you
