Ohhhh Taylor, I've only always knew your humble spirit, your respectful manners, and the excitement in your eyes from childhood to young adult. I can say I'm proud of what accomplishments you made in this short time God allowed you to be a physical part of this family. Weeping may endure for a period of time as we individually process losing you, but as time passes, hopefully we can and will all cherish fond memories of you. Surely you are gonna be missed. Gone too soon! Rest now little cousin! 🙏
