“ Although you was a pain in my butt most of our childhood, you was my baby brother and I adored you. And maybe I was big sister but you was a rock to me. Always there for me no matter what. You loved with a fire in your heart. So loving and giving. My baby brother I will miss you forever. Put a good word in for me to the man upstairs. Until we meet again... Fly high baby brother.... I love you, Lisa.

“ Babe,
I valued the time we had, the good and bad moments spent. We made it through the storms, beat all kinds of odds.
I promise to keep your love with me, even when your spirit sits with God. I love you forever, a promise we both made. Now that you're gone and I'm here, I'll keep your love for the rest of my days.
Forever is forever, even if I'm here alone. Your love reigns in my heart, even though you're really gone.
RIP Terry Auker

Will always remember the summers we spent hanging out at Grandma's. I remember you could be ornery but you were my buddy. I'd really be sad when I would hear you and your mom weren't coming. We'll hang out again one day.

I remember as kids dressing up as power rangers, calling him uncle TT, and choosing that taz was my favorite because it was his. We all looked up to him as kids. ❤️

T. Everytime we were around each other was a great time, you are already missed by so many people, family as well as acquaintances. The pain in my heart is so real. I try to tell myself that you are in a better place, it doesn't make it a bit easier. I'll see you when it's my time. LOVE AND MISS YOU SO MUCH BROTHER R.I.P.💔💔
