GR

I grew up with Tommy and lived about 4 houses down from him at (7706) Hemlock street in Pecan Park. We went to elementary school together. I used to go to his house in the mornings before school and his mom would always fix us a snack. We were good friends until I moved away in the sixth grade. I returned to see him once when I was older and out of school and he was still living there. We had a great visit! I was sorry to read of his passing. You always remember the kids you grew up with and the fun times you had together. May he rest in peace and God bless his family.
