“ *Heartfelt condolences to Patsy, Richard and Keith. Thomas was a shining light in my life, and I treasure the memories we shared. He had an incredible gift for bringing people together and making every occasion special. Now, he is rejoicing with his Dad, brothers, grandma and aunt in heaven. Patsy, your resilience in the face of adversity is inspiring, and I hope you find comfort in knowing your loved ones are together. Jewel Dupuy*

“ I will always remember your kindness and your laugh! We shared many good times back in the day. I'll never forget when we all went to New Braunfels to float the river. So many good times together. You will be greatly missed. Rest easy, friend, God's Speed.

“ Patsy & Richard & family, words cannot express the sorrow I feel for you all. May God give you comfort in this time and ease your pain. Thomas was such a good friend, to me and many others. He had the most generous heart and his laughter will never be forgotten. I can't count the number of times he would start telling me a funny story and get so tickled and start laughing so hard at himself that it would take an hour to get the whole story out. He will be missed. He was truly one of a kind.
