“ Vickie was always smiling and being so friendly with everyone she met! She also liked to help people.
I will miss her!
Shelbie I am here for you! It's Not Easy when your mom dies.

“ The world seem a little less dimmer without you here. You were more than just a co-worker to myself and so many others. You were a friend with a kind and giving heart. I will never forget your smiling face that filled a room. Heaven has gained another angel who had her wings even before she left us far too soon.
