

## Mr. Vincent Kachurik

August 22, 1949 - February 7, 2023

Vincent George Kachurik of Sugar Land, Texas passed away on Tuesday, February 7, 2023, at the age of 73, due to an aggressive form of lymphoma. Vince was born in New Kensington, PA, on August 22, 1949, to George and Violet Kachurik. He moved with his family to Minneapolis, Minnesota where he graduated high school. He graduated from Indiana University with a degree in history. He then moved to Houston, Texas in 1976 where he continued his education by obtaining his Masters in Counseling from the University of Houston. He met his wife, Kathryn Lilly and they were married in 1985. Always comfortable in a classroom, for nearly 20 years Vincent taught at multiple institutions including Sharpstown High School and Houston Community College. Best remembered for his private tutoring where he fostered the learning of numerous young people who have excelled in a wide range of specialties. Later in life Vincent found a love for researching and studying of genealogy & family history for his and other families. In his free time, Vincent was a voracious reader of all things from History to Science fiction. He loved showing off his knowledge, whether it be a random factoid or answering all the questions while watching Jeopardy. He was tutoring individuals across the world from Afghanistan to Sugar Land up until his untimely death.

Vincent was preceded in death by his parents George and Violet Kachurik. He is survived by his wife of 38 years, Kathryn; children Gregory, Michael, Steven; Daughter in-law Lavi Kachurik & Granddaughter Mila Kachurik. A

sister, Karen Benson of Newnan, Georgia. Several cousins, nieces and nephews.

“ *You may not know this but he helped my daughter study for a class she took. She said within 2 sessions he helped her learn and understand the material. A tutor does many things, supports, teaches, and gives you the tools to process the learning , Vince did all of that.*
