“ You are the best dad in the world!! Words can't describe how I feel without you!! I'm glad you're at peace and not suffering anymore dad!!! I love you so much and miss you more then anything dad 🥺

Britiany Musler - April 22, 2019 at 06:00 PM

WN

My life has been blessed to have you in it. We have been friends a long time and I will cherish that and our love for the rest of my days. I am glad you are at peace and can rest. I love you to the moon and back.
