

## Mr. William Busby Warren Jr.

March 3, 1937 - August 17, 2022

William Busby Warren Jr. passed away August 17, 2022. Bill or 'Billy' as he was fondly known was 85 at the time of his passing. After graduating from U of H in 1968, he began working for the American Red Cross at Fort Bliss in El Paso and Tachikawa Air Force Base in Tokyo, Japan. He returned to college in 1971 and earned a Master of Education from Sam Houston State. He was a teacher, Counselor, assistant principal and continued his career in the private sector with the Psychological Corporation and American Guidance Service. Bill retired in 1998 and moved to Galveston with his wife, Linda. He continued his love for education and Galveston history to conduct children's tours for the Education Department of the Galveston Historical Foundation for several years.

It is hard to encapsulate the essence of a man in words. I think his friends would say that he enjoyed people. He loved to gather with friends for dinner or a drink on the porch. He enjoyed a good book and a funny joke. He enjoyed traveling and cruising and all things in between. He loved his family and enjoyed our annual Frio Family Gathering and he loved his dog, Molly. He had an opinion on a lot of things and didn't mind sharing. He had an inquisitive mind and enjoyed discussions on history, religion, and politics.

He is survived by his wife of 33 years, Linda, daughter Charlottie Fischer, son Mark Warren (Samikarla), son Ryan Ford (Katie) and son Mark Ford (Nicole), his grandchildren, Nathan, Meagan, Julia, Grayson, Mason (Lauren), Makenna, Mollie, Benjamin, and great grandchild Sadie.

Per Bill's request, his body will be donated to UTMB for medical science. A celebration of life will be held at a later time.

Donations in his honor can be made to Wounded Warriors, the Galveston Humane Society or your charity of choice.

Bill will be truly missed by all who knew him. One of his famous sayings was "It all goes by too fast". He asked me to leave this quote should something happen to him " I loved life, and all those things Grand".

“ *You could throw the largest stone into the waters of the largest lake and the largest ripples that it would create would not compare to the ripple of friends that Bill touched throughout his life. I'm so fortunate to have been caught in one of those ripples..and to be able to call Bill... my friend.*

“ I can't find the words to describe my heavy heart. The person I know and love is fun-loving, gentle, sharing, reflective and caring. He was cut from a mold that forever crumbled after birth. Rest in peace my friend.

“ Bill was one of the happiest person's that I have ever known, he showed me how to relax, this one time when I was doing some work for him, I kind of snapped at my worker, right in front of Bill, He told my worker, that was called being testy, of course in a humorous way, so now when ever anybody cop's an attitude, to keep the situation down to a minimum, I always tell them that their being testy, it always brings laughter to the conversation, Thank You Bill for that, To Linda, I send you my Condolences, Bill was a wonderful Dude.

“ Some of us in life get to know the feeling of truly loving someone, especially when you lose them, and have to feel how bad it hurts . I'll never not love, just so I don't have to hurt. I'll love harder and hurt harder, just so I'll have all the memories and the heartache that loving someone and losing them gives you. Love fiercely and grieve knowing that you did and that those memories and that heartache was worth every second!
