“ From The Class of 1985

To Our Brother Gene Rowe,

Through you, the joyful spirit of your mother lives on. You told us that she prepared you for this day. Only a mother's love and dedication can get you there. From the class, we want you to know and cherish these words:

We are blessed to have you as a brother; and we are appreciative that you have Toni by your side along with your siblings. Just remember;

Father, thank you for your promise that as I wait upon you, you will renew my strength with a second wind and enable me to rise up with wings like an eagle. Help me to shake off my weariness and take hold of your strength. Isaiah 40:31.

The Class of 1985 is in motion; no man or woman left behind. To our brother and the family, today we honor Mrs. Willie Eva Rowe.
